CULTURAL HUMILITY AND LEARNING THEORY

DR. HOVERMALE & DR. HART WEEK 6 NSC 383
VIDEO EXAMPLE AND INTRODUCTION

- https://www.youtube.com/watch?v=jT96NPUgWZ4&list=PL58C6CEDF7B956DBB
TERMINOLOGY

- Culture: way of life; basis of some common purpose, need or similarity of background; totality of learned, socially transmitted beliefs, values, and behaviors from members’ interpersonal transactions
- Acculturation: socialization process; learning and adoption of selective aspects of dominant culture
- Cultural identity: set of cultural beliefs as standards of behavior
- Linguistic competence: ability to communicate and convey information to a diverse audience for easy understanding
- Ethnocentrism: a world view based to a great extent on socialization of individuals within their own culture, to the extent that such individuals believe that all others see the world as they do
